

## Digital Print Services

**londonprintstudio** provides professional digital services such as digital fine art printing, scanning, digital retouching and artwork reproduction for artists, galleries and photographers at highly competitive prices.

Our large-format digital printing service offers fully archival inkjet printing of up to 111cm wide using the Hewlett Packard Z3200 professional inkjet printer with Vivera pigment inks.

Our highly qualified technicians can also provide one to one dedicated support and help you to:

- develop images.
- work on layout and design.
- assist with personal projects.
- develop experimental projects.
- retouching images.
- project support.

Our technical expertise and experience means we can work together with you to get the best out of your images. We strive for a professional service and customer satisfaction is our number one priority, giving artists the opportunity to experiment with ideas and realise unique products. We take extra care to assist you in getting the results you expect at a price you can afford.
